

## **A Meaningful Way to Thank Your Team this Season:** **The Gift of Wellness from Myomove**

In today's fast-paced world, stress and tension have become part of daily life, especially for those who give their best every day at work. That's why thoughtful gestures that focus on wellbeing stand out and are remembered. Your employees, colleagues or VIP customers will appreciate you too.

At Myomove Massage & Recovery, we make it easy for your business to give something truly meaningful this season - the gift of feeling good.

### **Why a Myomove Gift Certificate Is the Perfect Corporate Gift**

A Myomove massage isn't just relaxation - it's renewal. Each session helps to:

- Relieve tension and muscle tightness from long hours and daily stress
- Promote circulation and recovery, improving energy and mobility
- Support mental wellness, helping recipients feel calmer and more balanced
- Encourage healthy habits, showing your organization values real wellbeing

Our clinic provides a restorative environment where clients can recharge both body and mind. The result: a gift that leaves a lasting impression of care, not promotion.

### **Why Companies Love This Program**

- Easy to administer - one call, and we prepare everything for you.
- Locally valued - supports a Canadian owned and Niagara-based wellness business.
- Universally appreciated - everyone can use a little recovery time and better mobility.
- Not just for the holidays - say thank you, use as a reward and show you care all year.
- 100% tax deductible.

If you'd like to learn more or reserve your corporate gift certificates, please call or text me directly at 289-479-1005.

The next batch of certificates arrives from print this week, and early interest has been strong. I'd be happy to set yours aside.

Warm regards,

Darian Kalogerakos  
Owner & Lead Therapist

## Corporate Gift Certificate Options

Available in \$50, \$100, and \$150 denominations. We also offer volume discounts:
